

2022 CALENDAR

The figure displays a 3x4 grid of 12 monthly calendars for the year 2022. Each calendar is presented on a light wood-grain background. The months are arranged as follows:

- Row 1:** January, February, March, April
- Row 2:** May, June, July, August
- Row 3:** September, October, November, December

Each calendar shows the days of the week (Sun, Mon, Tue, Wed, Thu, Fri, Sat) and the dates. The dates are color-coded: red for the first day of the month, blue for the last day, and black for other days. The grid is arranged in three rows of four months each.
